African Safari Experience provides safari tent accommodation for both small and large groups. We specialize in accommodation for families to large groups and provide an unforgettable outdoor "safari" experience.

Our facilities are located on a beautiful farm in the Bay of Islands. Come and enjoy a safari experience with lush forests, rivers, streams, waterfalls and a wide variety of farm animals.

We also provide team building and active fun in conjunction with Action World, Paihia.

This is your invitation to come and experience it!
